Samsung ATIV Smart PC 500T1C

Unlimited creation, Even on the go

Experience the freedom of a **tablet with the power of a PC**. Samsung's revolutionary Smart PC features complete **Windows 8 functionality** and a host of easy to use input devices for maximum productivity even on the move.

Beautiful, fast, fluid  Windows 8

Samsung recommends Windows 8 Pro.

Convertible Form Factor

Do it all – from creation to consumption

A revolutionary convertible design unites the power of a notebook with the convenience of tablet. So you can enjoy instant communication and consumption on the go, but simply add its full sized keyboard for heavy-duty performance, compatibility and creativity.

On the go Creation

Just write and go!

The S-Pen™ brings the real experience of writing and drawing to the world of computing. Its 1024 level pressure sensitivity delivers the super accuracy demanded by professional designers, so it's just like using a normal pen.

The easy way to stay in control

An advanced 5-finger multi-touch capability provides a technological leap in interactivity and control.

Get the complete picture

Features high resolutions cameras front (2 megapixel) and back (8 megapixel) and a built-in flash.

Samsung recommends Windows 8 Pro.

PC like Performance

Get more done with Windows 8

With the Windows 8 operating system you'll enjoy the same high productivity and familiar environment as a normal PC. You can install and run all Windows programs using either a classic desktop interface or start screen's simpler, touch-centric capabilities.

SuperBright Plus display

SuperBright Plus 11.6" LCD display produces the most vivid colors and sharpest images with 400nit brightness.

Always stay connected

Despite a compact, portable design it still features USB 2.0, µHDMI and Micro SD card ports.

Tablet like Portability

Full sized keyboard and touchpad

Features a full sized keyboard and touchpad for maximum productivity. It also has two extra USB 2.0 ports to connect extra peripherals, but can be quickly detached when you want to go!

Ultra thin & light design

Smart PC design weighs 744g and just 9.9mm thick for maximum portability.

Up to 14.5 hours* battery life

Enjoy a long battery life of up to 14.5 hours* on a single charge.
